## Computational Health

### Track Chairs

John Brownstein, Boston Children's Hospital and Harvard Medical School

Elad Yom-Tov, Microsoft Research

Ciro Cattuto, ISI Foundation

### Program Committee

Philip Abdelmalik, Public Health Agency of Canada

Eyhab Al-Masri, University of Waterloo

Alain Barrat, CNRS

David Buckeridge, McGill University

Rumi Chunara

Enrico Coiera

Ingemar Cox, University College London

Aron Culotta, Illinois Institute of Technology

Craig Dalton, Flutrack.net

Jeff Dalton

Adam Dunn, Centre for Health Informatics,  
Macquarie University

Noemie Elhadad

Luis Fernandez-Luq, Qatar Computing Research  
Institute

David Fisman

Ran Gilad-Bachrach, Microsoft Research

Bruno Gonçalves, New York University

Emre Kiciman, Microsoft Research

Vasileios Lampos, University College London

Larry Madoff

Philip Massey, Drexel University School of Public  
Health

Yelena Mejova, Qatar Computing Research Institute

Ricardo Mexia, Instituto Nacional de Saude Doutor

Ricardo Jo

Elaine Nsoesie, University of Washington

Daniela Paolotti, ISI Foundation

Michael Paul, University of Colorado Boulder

Nicola Perra

Luz Rello, Carnegie Mellon University

Michal Rosen-Zvi, IBM

Marcel Salathé

Maurizio Santillana

Samuel Scarpino, University of Vermont

Alessio Signorini, University of Iowa

Luca Soldaini, Georgetown University

Scott Teesdale

Michele Tizzoni, ISI Foundation

Alberto Tozzi

Andrew Turpin, The University of Melbourne

Effy Vayena

Ingmar Weber, Qatar Computing Research Institute

Bin Zou, University College London

## Crowdsourcing

### Area Chairs

Panos Ipeirotis, New York University  
Philippe Cudré-Mauroux, Exascale infolab
